## Optimalisatie

|                                                                                   |             |                                                                                                                                                                                                                                                                                                                                                     |
|-----------------------------------------------------------------------------------|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | XML Sitemap | <p>Ontbrekend</p> <p>Uw website heeft geen XML sitemap- dit kan problematisch zijn.</p> <p>Een sitemap vermeld url's die beschikbaar zijn voor crawlen en kan extra informatie bevatten zoals uw laatste site-updates, frequentie van wijzigingen en het belang van de url's. Dit laat zoekmachines toe om de site intelligenter te doorzoeken.</p> |
|   | Robots.txt  | <p><a href="http://oxk.co.kr/robots.txt">http://oxk.co.kr/robots.txt</a></p> <p>Geweldig uw website heeft een robots.txt bestand.</p>                                                                                                                                                                                                               |
|  | Analytics   | <p>Ontbrekend</p> <p>We hadden niet op te sporen van een analytics tool op deze website geplaatst.</p> <p>Web Analytics laat u toe de bezoekersactiviteit op uw website te meten. U zou minstens 1 Analytics tool geïnstalleerd moeten hebben en een extra tool voor de bevestiging van de resultaten.</p>                                          |
